***NEW DAY AND TIME: Thursdays 12:45pm - 2:00pm***

Parenting is one of the toughest jobs in the world.  
You don't have to do it alone.

Relax with other parents as your children play safely in our  
playroom.

- Share your parenting challenges in a supportive environment.
- Listen to and learn from other parents.
- Receive and give support. Together we can learn skills to become more effective parents.
